### Notes:

- Age categories are listed in 5-year bands in the results. VAC medals are awarded in 5 year categories so we have listed all Vets similarly. Race prizes are awarded in 10 year Cats.
- Vets are given the best prize available as they finish, this means that some Vets have taken prizes for a category below their actual age. The next finisher in the age group gets the category prize.
- Teams: SLH won the men's team handsomely. (The host Club Epsom & Ewell just beat Tadworth for second place). The women's team prize went much deeper into the finish order and was a closer affair. Woking AC took the prize ahead of Epsom Allsorts who were marginally better than 26.2RRC.

Thanks for your support for today's race. We slot into a place in the Calendar in late November so a bit of wind and rain are par for the course but most finishers managed to get in before the worst of the rain. The flood just after 1 mile was exceptional, but if it's any consolation it was deeper a couple of hours before the race went through and again a couple of hours after. Hope to see you next year when the race will be held on Sunday 21 November.
